# NEW Gelato School

Dear Customer,

Majors Group in Melbourne is now open for business!

We are excited to announce that our ever popular gelato classes, previously only run in our Perth Office, will now run at Majors Group Melbourne Head Office in our fully-equipped demonstration kitchen!

We can now also offer PRIVATE CLASSES, to ensure maximum time and effort is dedicated purely to you and your needs as a valued new or existing customer.

We have experts on hand ready to train you in all the aspects of gelato making.

Courses can be individually tailored to your specific needs, and can include overviews of brand new flavours from Europe, recipes, ideas, selling techniques, and of course taste testing!

Our gelato courses are FREE - all you need to do is contact Majors Group to register your interest & we will advise you of availability. Please email [larissa@majorsgroup.com.au](mailto:larissa@majorsgroup.com.au).

Please note that these classes are for those people already in the industry or looking to get started in the gelato industry seriously as a professional business.

For new businesses, we also offer a complete design package where our experts will get you set-up for success. Once your store is up and running we are here for continued reliable support & assistance with the ordering of all stock & equipment. We can also arrange finance for any equipment - you can pay everything off gradually, leaving more in your pocket now to get started!

We have helped establish countless gelato businesses both in Australia and New Zealand. We are rapidly expanding to due proven success in the industry as we are the leaders in our field - there simply is no competition that comes close, so if you want to do it right, you want to do it with Majors.
